AMENDMENT

This amendment is submitted in response to a non-final first office action in the above case dated August 27, 2007 (“Office Actgion”) in which the Examiner rejected certain claims as directed to non-statutory subject matter (35 U.S.C. §101) and rejected all the claims as anticipated (35 U.S.C. §102) over cited art. Applicants amended the claims to overcome the Section 101 rejection. Applicants traverse the prior art rejections and submit that all pending claims 1-46 are patentable over the cited art and in condition for allowance for the reasons discussed herein.

Amendments to the Claims are reflected in the listing of claims which begins on page 2. Remarks/Arguments begin on page 11.
